

STAY IN THE BLACK. BUY ORANGE.

The big orange Al-jon 580CL logs 25 car bodies per hour with one-man operation to keep you in the black. It's light enough for legal towing in all states with its super-strong-but-light Hardox® steel chamber. And it's built simple and strong all the way around to put more green in your pocket for many years to come. • Al-jon Inc., 14599 2nd Avenue, Ottumwa, Iowa USA 52501 • 641-682-4506 or 800-255-6620 • www.aljon.com

ALJON
MFG

KEEPING IT SIMPLE. BUILDING IT STRONG.
