

# SERIOUS LANDFILL COMPACTORS FOR PEOPLE WHO ARE SERIOUS ABOUT LANDFILLS.

Al-jon is serious about landfills. Every machine is engineered from the ground up to give you superior compaction with every pass so you can preserve valuable air space. They ride high above the mud and obstacles that can stop other machines. Our simple, strong, belly-pan-free design approach means less maintenance too.

When you're serious about maximizing landfill life, look to Al-jon for the compactors that squeeze more air out of every cubic yard of trash. Learn how Al-jon is working for landfills in the real world at [aljon.com](http://aljon.com)
